ML 20-21 - 1/2

Sir,

I have the honor to state that owing to the reconstitution of the Minor Municipal Council of Nagamangala with effect from 1st January 1921, the President issued a notice on the 7th November 1921 for holding a meeting on the 12th November 1921 for electing a Vice President to the Council. An application was received in favour of P. Nanjundiah who desired to stand for election on the 12th November 1921. The President having subsequently found that the above notice was not in accordance with the rules issued with Government Notification No. 45-13-4 dated 30th September 1918, issued another notice on the 11th November 1921 in lieu of the above 1st notice, intimating that the election meeting would be held on the 3rd December 1921 and inviting applications for candidature for the office of the Vice President to reach him at least 10 days before the meeting. Application accordingly received in time in the Municipal Office in favour of Mr. Subramanya Iyer, Sub Registrar and (2) Mr. Kalayya. On the 1st day (16. on 3rd December 1921), however, P. Nanjundiah who was a candidate for election at the 1st meeting fixed for the 12th November according to the 1st notice was also allowed to stand for election. Mr. Kalayya got the largest number of votes and was elected. He has been duly elected as Vice President.

2. A petition signed by four municipal Councillors and dated 5th December 1921 was received in this office taking objection to the election proceedings mainly on the following grounds -

- (1) The 1st notice being out of order, Mr. Nanjundiah should not have been allowed to stand for election on the 3rd December 1921, as no nomination paper in his favour for the 2nd ~~has~~ election has been presented by the councillors.
- (2) The election did not take place at the 1st meeting of the newly constituted council according to Rule(ii) of the Election Rules.
- (3) The Sub Registrar being an Ex-officio member should not have stood for election.

The 1st notice was out of order as it was not issued at least 20 days before the election meeting. The nomination paper dated 10th November 1921 furnished in favour of Mr. Nanjundiah was in respect of the 1st election meeting proposed to be held on the 12th December 1921. As the meeting was not held, Mr. Nanjundiah would have been eligible to stand for election if a fresh nomination -- paper had been received in his favour.

According to Rule(ii) of the Election Rules the election should have taken place at the first meeting of the newly constituted council as the direction to elect a Vice President was current when the council was reconstituted and not given during the term of ^{the} ex-officio councillors.

The third objection ~~under the Local Self Government~~ also ~~is~~ good as it is not contemplated under the Local Self Government ~~of the~~ ex-officio member might stand for election.

In the circumstances above, I am of opinion that the present election should be cancelled and a fresh election ordered by Government. A copy of the council's proceedings is being forwarded to the Government.

is herewith transmitted. The President of the Council has noted his replies in the margin of the objection petition.

I have the honour to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Mysore District.
